ROUTE MANAGEMENT INTERNSHIP

The Route Management Internship Program provides non-graduates between the ages of 18 and 22 the opportunity to gain practical work experience in a variety of career fields.

The Interns will follow a rotation program which will allow them to spend time working in and observing different departments.

Departments may vary from group to group and or city to city, however it will typically include the following departments:

- Human Resources
- Finance
- Debtors and Creditors
- Import and Exports
- Sales and Marketing
- Logistics
- Procurement
- Production
- Rental
- Parts Depots
- Health and Safety

Through additional workshops, seminars and training, successful interns will be able to apply for long term employment positions at the end of the Internship Program.

PROGRAM DURATION

The initial phase of the Internship Program will run for a period of 3 to 12 months, conditional on the Intern meeting the required training objectives at each set interval.

THE BENEFITS OF THE INTERNSHIP PROGRAM?

- Receive a salary
- Gain valuable work experience
- The opportunity to explore different career paths.
- Develop and refine skills
- Receive formal and informal training
- Network with professionals in the field.
- Mentorship
- Transition into a job
